

2026 CORE VISION

Visual & Inspirational Slide Script

Slide 1 — Opening Vision

Title: 2026: A Year of Becoming

Main Text: This year is not about wishing. It is about deciding.

I choose growth over comfort. I choose faith over fear. I choose becoming over waiting.

Visual Direction: • Minimalist dark or soft-neutral background • Large title, lots of breathing space • Subtle glow or light gradient to suggest possibility • Calm, confident tone — not loud

Slide 2 — Goal One: Mastery & Value

Title: Building Mastery

Main Text: I am building skills that matter.

I learn deeply. I practice daily. I build real things that solve real problems.

My ideas create value. My work speaks for itself.

Visual Direction: • Abstract shapes, code textures, or creative grids • Balanced tech + creativity aesthetic • Emphasis on clarity and focus

Slide 3 — Goal Two: Freedom Through Value

Title: Creating Freedom

Main Text: I create value — and freedom follows.

I trust God without limits. I prepare for abundance.

\$20,000 per month is not my ceiling, It is my training ground for faith and stewardship.

Visual Direction: • Light expanding outward from center • Open space imagery (sky, horizon, abstract openness) • No flashy money visuals — keep it grounded and mature

Slide 4 — Goal Three: Relocation & Becoming

Title: Becoming Aligned

Main Text: I am moving toward the right environment.

Stockholm is part of the journey. Discipline is part of the journey. Growth is the destination.

Every habit I build is shaping who I am becoming.

Visual Direction: • Subtle map lines or directional arrows • Calm city or abstract movement imagery • Sense of forward motion without rush

Slide 5 — Final Declaration

Title: Final Declaration

Main Text (Large, Centered): You will be what you will to be

Subtext (Optional): Read this. Believe this. Live this.

Visual Direction: • Very minimal • Strong typography • Soft light or single focal point • Let the words carry the weight

Design Notes

- Use 1–2 fonts max (clean sans-serif + subtle accent font)
- Large text, few words per slide
- Space is intentional — silence is powerful
- This deck is meant to be felt, not rushed

This is not a presentation. It is a mirror.
